50 words

Portable Bluetooth speaker with rich, powerful sound, up to 16 hours of battery life and a dust and splash resistant design. P6 is made from premium materials including a pearl blasted aluminium grill, leather strap and a soft rubber polymer base for stable standing. P6 incorporates strong heritage references including flex buttons milled into the aluminium casing.

100 words

Portable Bluetooth speaker with rich, powerful sound, up to 16 hours of battery life and a dust and splash resistant design. P6 is made from premium materials including a pearl blasted aluminium grill and a leather strap that ages with beauty. Inspired by Bang & Olufsen's Beomaster 6000, the control buttons are milled out of a single piece of aluminium and have a soft tactile feel when pressed. Designed for portability at home or on the go, P6 lets you listen to music wherever you like and brings people together through powerful sound.
